Mass Day

Wednesday, April 23, 2025 - 2nd grade leads

Dear Families,

As we prepare to celebrate Easter, we first walk with Jesus through His Passion and death, and then rejoice in His resurrection on Easter morning. Today, our students did a remarkable job sharing the story of our Lord's final days. They led us through a presentation of the Agony in the Garden, a Seder meal, and a powerful prayer and shadow presentation of the Stations of the Cross.

Our 3rd-grade students opened the day with prayer, setting a beautiful tone for the events that followed. It is truly a privilege to be able to come together in prayer—not only as a student body, but also with the many parents who joined us. Thank you for being part of such a meaningful day.

We also had the joy of celebrating Mrs. Love today with a baby shower in anticipation of baby boy Lowrey—we can't wait to welcome him in June!

Thank you again for taking the time to complete the parent surveys earlier this year. Your input is a valuable part of our reaccreditation process, led by the Office of Catholic Schools. It's helping guide our Accreditation Steering Committee as we develop goals for our Continuous Improvement Plan (CIP).

A big thank you to the parents who have accepted positions on the subcommittees of our Accreditation Steering Committee. These small groups are closely examining various aspects of school data to help identify both our strengths and areas for growth. Their insights will be instrumental as we set our CIP goals, which we will share with you later this summer once our review is complete.

Additionally, as our Strategic Plan has now expired, we will begin the process of developing new strategic goals aligned with our CIP. More details to come!

To help provide clarity, I am including this table for the Diocese of Savannah Office of Catholic Schools class size guidelines.

Wishing you and your family a joyful and blessed Easter,

Mrs. Marr, Principal
